

**Funding Scheme for Children's Well-being and Development
Themes of Project**

Theme : Unleashing the potential and talents of children (童飛翔 展潛能)

- (a) To raise the self-esteem of children;
- (b) To encourage the children to realise their rights, potential, passion and talents;
- (c) To enhance the decision-making and problem-solving skills of children; or
- (d) To nurture the children in areas of excellence.

Theme : Promoting healthy and happy childhood (身心發展 康樂童行)

- (a) To promote the importance of play in the healthy development of children;
- (b) To enhance public awareness of emotional and social development of children; or
- (c) To promote the benefits of sports in achieving a healthier life for children.

Theme : Caring for children with specific needs (童一天空下 關懷顯愛心)

- (a) To promote a culture of understanding, care and respect for children with specific needs;
- (b) To strengthen support for children with specific needs and their parents / carers;
or
- (c) To enhance inclusion of ethnic minority children.

Theme : Promoting child protection (愛 • 保護孩子)

- (a) To raise public awareness on the values of child protection as articulated in the United Nations Convention on the Rights of the Child;
- (b) To strengthen the knowledge and skills of parents / carers on child protection; or
- (c) To enhance children's understanding of abuse and teach them how to protect themselves.

All the activities of a proposed project shall tie in with one or more of the themes above. If more than one theme is involved in the project, the applicant should decide on the main theme for application purpose.
